Carteie
sumptuous writing

we called it 12:
Have had two good
nights since you left, and
two airfully hot nights, were
enough you were not here.

Don't know any Cheshire
Scandal, so can't work but
will close and go down
town and play Running cards.
After the Ball Game, and if you
are here I'll get up cards.

Yours,

Made in swiss
Carteie } A stylized logo for "Carteie". The word "Carteie" is written in a flowing, cursive script font. Above the letter "i", there is a small line of text that reads "Made in swiss". To the right of the script, there is a large, open curly brace symbol. Next to the brace, there is a red circular emblem containing a white Swiss flag with a red cross.
